

Additional Admission Criteria

To be admitted to some programs, you must provide additional information, such as a portfolio, interview, audition, supplementary application, or letter of reference. This section lists the programs that require this additional admission information. If you have any questions, contact the university directly.

Algoma University

OUAC Program Code	Program	Criteria
JAP	Music (BA 3 year)	In addition to the normal admission requirements, you should have completed Advanced Rudiments (R.C.M.) or the equivalent, and must undertake a placement audition and interview with the Music Director. You may register for applied Music major courses, but only after completing this process. Contact the Admissions department at 705-949-2301, ext. 4227, to arrange an audition/interview. If you lack a background in theory, you will be required to take introductory courses in theory and dictation.
JCA	Fine Arts (Visual Arts) (BFA 4 year)	Portfolio is required. Read more about portfolio requirements. Admittance to this program is by portfolio review/interview. The portfolio should include examples of your work in any visual media. While actual works are preferable, photographic or slide documentation is also acceptable. Please include a brief description of your background and expectations in relation to the study of art in a university context. These supplementary materials are required, in addition to standard university admissions policies.

Brock University

OUAC Program Code	Program	Criteria
BAI	Concurrent BA Honours/BEEd – Intermediate/Senior	Dramatic Arts majors must participate in the DART Invitational. For more information, visit the Dramatic Arts website.
BGD	Game Design	A statement of intent is required by February 7, 2019. Learn more about additional admission criteria for this program.
BGP	Game Programming	A statement of intent is required by February 7, 2019. Learn more about additional admission criteria for this program.
BM	Music	You must complete a theory placement test (Royal Conservatory Grade II level) and pass an aural skills test. It is recommended that your keyboard proficiency be equivalent to Royal Conservatory Grade IV. You must audition for the Bachelor of Music (BMus) program on a solo instrument or voice. Auditions are generally held in March and May of each year, in conjunction with interviews and placement tests.
BR	Visual Arts	Applicants to the Studio Art program are required to submit a portfolio.
BT	Dramatic Arts	You will be invited to attend a mandatory Dramatic Arts Invitational in March or April 2018. For more information, visit: brocku.ca/dramatic_arts

Carleton University

OUAC Program Code	Program	Criteria
CBC	Humanities – Option A	Application deadline: March 1. Portfolio due March 1. Contact the College of the Humanities.
CBD	Humanities with Biology – Option B	Application deadline: March 1. Portfolio due March 1. Contact the College of the Humanities.
CD	Industrial Design (regular and co-op)	Application deadline March 1. Portfolio due April 1 and information session recommended. Contact the School of Industrial Design.
CIM	Information Technology – Interactive Multimedia and Design (regular and co-op) (program offered jointly with Algonquin College)	March 1 application deadline; portfolio due March 1. Contact the School of Information Technology.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
CJ	Journalism	March 1 application deadline.
CJH	Journalism and Humanities	March 1 application deadline.
CM	Music	Application deadline: March 1. Audition booking deadline (for guaranteed audition): March 1. Note: If you live more than 100 km from Ottawa, you may audition via a recording and an affidavit in consultation with the School for Studies in Art and Culture: Music.
CR	Architectural Studies (regular and co-op) – Design	Application due by February 1. Portfolio including resumé/writing exercise/graphic exercise due March 1. Send to the School of Architecture Admissions Committee.
CRC	Architectural Studies (regular and co-op) – Conservation and Sustainability	Application due by February 1. Portfolio, including resumé/writing exercise/graphic exercise due March 1. Send to the School of Architecture Admissions Committee.
CRU	Architectural Studies (regular and co-op) – Urbanism	Application due by February 1. Portfolio including resumé/writing exercise/graphic exercise due March 1. Send to the School of Architecture Admissions Committee.
CSC	Certificate in Carillon Studies	Application deadline: March 1. Audition booking deadline (for guaranteed audition): March 1. Note: If you live more than 100 km from Ottawa, you may audition via a recording and an affidavit in consultation with the School for Studies in Art and Culture: Music.
CSW	Social Work	February 1 application deadline. Human service experience and references to be outlined in supplementary application, due March 1. Reference forms/analysis of social problem/personal statement, due March 1.

University of Guelph

OUAC Program Code	Program	Criteria
GEA	Bachelor of Science in Environmental Sciences	First year is common; you will select a major in second year.
GK	Arts Honours	Advanced Functions (MHF4U) is highly recommended for students enrolling in Economics; Food, Agriculture and Resource Economics, or Mathematical Economics; these majors require mathematics. A 4U math is recommended for students pursuing any other social science major.
GKG	Arts General	Advanced Functions (MHF4U) is highly recommended for students enrolling in Economics; Food, Agriculture and Resource Economics, or Mathematical Economics; these majors require mathematics. A 4U math is recommended for students pursuing any other social science major.
GL	Landscape Architecture	You will be required to submit a Background Information Form (BIF), which will be considered in conjunction with your admission average. March 1, 2019, is the final deadline for the BIF.
GTM	Turfgrass Management (Associate Diploma Program)	You are required to submit a Supplementary Information Form, which is considered in conjunction with the academic record to determine admissibility.
GZG	Bachelor of Science, General (3 years)	Two of three 4U high school science courses (i.e., Biology, Chemistry, and Physics) are required for admission; completion of all 3 is recommended. Applicants who lack the third science course will take a replacement course in semester 1.

Lakehead University

OUAC Program Code	Program	Criteria
AO	Environmental Management (co-op available) (Thunder Bay)	If you do not meet the admission requirements for your program of choice but do meet the General Admission Requirements of Lakehead University, you will automatically be considered for an alternate program.

Laurentian University

OUAC Program Code	Program	Criteria
LAE	Outdoor Adventure Leadership	All applicants to this program must complete a Personal Profile Form and submit references, due February 1. See: www.laurentian.ca .
LAF	Activité physique - Leadership: activités physiques de plein air (4 ans)	Formulaire de profil
LAQ	Concurrent Education with Outdoor Adventure Leadership (Primary/Junior) - 5-year double degree	Personal profile form
LAS	Concurrent Education with Outdoor Adventure Leadership (Junior/Intermediate) - 5-year double degree	Personal profile form
LAT	Théâtre (4 ans)	Audition
LDA	Architectural Studies (4 years)	As part of the application process, students must submit a one- to two-page letter of interest, two letters of reference (from teachers, employers or community leaders), and a portfolio of creative works (digital or hard-copy format).
LFB	Activité physique - Éducation physique (4 ans)	Profil personnel
LHG	Concurrent Education with Health Promotion (Primary/Junior) - 5-year double degree	Personal profile form
LHK	Concurrent Education with Health Promotion (Junior/Intermediate) - 5-year double degree	Personal profile form
LHP	Promotion de la santé (4 ans)	Formulaire de profil Deux matrix formulaire
LKE	Human Kinetics – Kinesiology	Personal Profile
LKF	Activité physique - Kinésiologie (4 ans)	Formulaire de profil 2 matrix formulaires
LMC	Music (4 years)	Audition/theory placement tests are held from April to September. Contact the Music department.
LRS	Radiation Therapy (4 years)	You will be contacted directly about the mandatory interview.
LSA	Sport and Physical Education	All applicants to this program must complete a Personal Profile Form and submit references, due February 1. See: www.laurentian.ca .
LSE	Sport Psychology (4 years)	You must complete a Personal Profile Form and submit references by February 1.
LSF	Psychologie du sport (4 ans)	Deux matrix formulaires Formulaire de profil
LSG	Concurrent Education with Sport and Physical Education (Junior/Intermediate) - 5-year double degree	Personal profile form
LSK	Concurrent Education with Sport and Physical Education (Primary/Junior) - 5-year double degree	Personal profile form
LSM	Concurrent Education with Sport Psychology (Primary/Junior) - 5-year double degree	Personal profile form
LSO	Concurrent Education with Sport Psychology (Junior/Intermediate) - 5-year double degree	Personal profile form

Additional Admission Criteria

OUAC Program Code	Program	Criteria
LTA	Theatre Arts (4 years)	Audition
LYF	Sage-femmes, Formation des (4 ans)	Formulaire de demande d'admission
LYY	Midwifery	Supplementary application

McMaster University

OUAC Program Code	Program	Criteria
MB	Business I	An optional supplementary application form is available for applicants who feel that their admission average might be close to or below the quoted range. Details will be available on the McMaster website.
MBH	Integrated Business & Humanities	Mandatory supplementary application, due February 1, 2019. Details will be supplied to applicants.
ME	Engineering I	Mandatory supplementary application due February 1, 2019. Applicants will be provided with details. OUAC application deadline: January 16, 2019. If you have a strong admission average, you may qualify for free choice of discipline in Level II.
MEC	Engineering Co-op I	Mandatory supplementary application due February 1, 2019. Applicants will be provided with details. OUAC application deadline: January 16, 2019. If you have a strong admission average, you may qualify for free choice of discipline in Level II.
MEH	Integrated Biomedical Engineering & Health Sciences	Admission is by selection and applications will be required to complete a mandatory supplementary application by February 1, 2019. Applicants will be notified of details. OUAC application deadline: January 16, 2019.
MEI	Integrated Biomedical Engineering & Health Sciences	Admission is by selection and applications will be required to complete a mandatory supplementary application by February 1, 2019. Applicants will be notified of details. OUAC application deadline: January 16, 2019
MH	Humanities I	SBI4U is recommended for the Cognitive Science of Language program.
MHS	Studio Art I	If you wish to be considered for admission to Studio Art I, you must make arrangements to come to McMaster for a portfolio interview. Find full details of the portfolio requirements, how to book an interview, and interview dates on the program website. Contact sota@mcmaster.ca for more information about booking your portfolio interview.
MIS	Honours Integrated Science I	An online supplementary application is required for admission, and is due February 1, 2019.
MM	Music I	Music Audition. Contact the School of the Arts at 905-525-9140, ext. 24246, or sota@mcmaster.ca , to schedule an audition/interview (held in March and April 2019).
MN	Nursing I (at McMaster)	Both academic and personal qualities are assessed in the selection process by means of your High School Admission Average and CASPer (Computer-based Assessment for Sampling Personal Characteristics).
MNS	Health Sciences I	Admission is by selection. You will not be considered without a completed supplementary application. Supplementary application to be completed in mid-February – applicants will be notified of details. Find further details on the program website. OUAC application deadline: January 16, 2019.
MX	Arts and Science I	To be considered, you must provide a completed supplementary application. Find further details on the McMaster website. Deadline: February 1, 2019.
MY	Midwifery I	Students must obtain a minimum grade of 75% in each of the required courses and achieve a minimum overall average acceptable by the Faculty. Interview (by invitation). Please note that admission is by selection for this program.

Additional Admission Criteria

Nipissing University

OUAC Program Code	Program	Criteria
PBA	Bachelor of Business Administration	If you are admitted without a 4U math, you will be required to take the university equivalent of MDM4U or MCV4U in your first year of the program.
PE	Concurrent Bachelor of Arts/Bachelor of Education Primary/Junior	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math.
PEA	Concurrent Bachelor of Arts/Bachelor of Education Junior/Intermediate	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math.
PEB	Concurrent Bachelor of Arts/Bachelor of Education Intermediate/Senior	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math.
PED	Concurrent Bachelor of Arts Criminal Justice/Bachelor of Education Primary/Junior	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math.
PEF	Concurrent Bachelor of Arts Criminal Justice/Bachelor of Education Junior/Intermediate	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math.
PEG	Concurrent Bachelor of Arts Criminal Justice/Bachelor of Education Intermediate/Senior	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math.
PEH	Concurrent Bachelor of Fine Arts/Bachelor of Education Primary/Junior	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math. If you are admitted to the BFA, you are required to successfully complete the BFA portfolio review by the end of your third year of study to remain in the BFA program. For more information about these admission requirements, contact the Chair of the Department of Fine and Performing Arts.
PEI	Concurrent Bachelor of Fine Arts/Bachelor of Education Junior/Intermediate	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math. If you are admitted to the BFA, you are required to successfully complete the BFA portfolio review by the end of your third year of study to remain in the BFA program. For more information about these admission requirements, contact the Chair of the Department of Fine and Performing Arts.
PEK	Concurrent Bachelor of Fine Arts/Bachelor of Education Intermediate/Senior	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math. If you are admitted to the BFA, you are required to successfully complete the BFA portfolio review by the end of your third year of study to remain in the BFA program. For more information about these admission requirements, contact the Chair of the Department of Fine and Performing Arts.
PEL	Concurrent Bachelor of Business Administration/Bachelor of Education Primary/Junior	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math. Students admitted without a 4U mathematics or equivalent will be required to complete MATH 1911 or MATH 1912 in their first year.
PEM	Concurrent Bachelor of Business Administration/Bachelor of Education Junior/Intermediate	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math. Students admitted without a 4U mathematics or equivalent will be required to complete MATH 1911 or MATH 1912 in their first year.
PEN	Concurrent Bachelor of Business Administration/Bachelor of Education Intermediate/Senior	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math. Students admitted without a 4U mathematics or equivalent will be required to complete MATH 1911 or MATH 1912 in their first year.
PEO	Concurrent Bachelor of Physical and Health Education/Bachelor of Education Primary/Junior	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math.
PEQ	Concurrent Bachelor of Physical and Health Education/Bachelor of Education Junior/Intermediate	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math.
PER	Concurrent Bachelor of Physical and Health Education/Bachelor of Education Intermediate/Senior	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
PES	Concurrent Bachelor of Science/Bachelor of Education Primary/Junior	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math.
PET	Concurrent Bachelor of Science/Bachelor of Education Junior/Intermediate	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math.
PEU	Concurrent Bachelor of Science/Bachelor of Education Intermediate/Senior	Minimum 70% in ENG4U/EAE4U/NBE4U and 60% in 3U/M math.
PFA	Bachelor of Fine Arts	If you are admitted to the BFA, you are required to successfully complete the BFA portfolio review by the end of your third year of study to remain in the BFA program. For more information about these admission requirements, contact the Chair of the Department of Fine and Performing Arts.
PSW	Bachelor of Social Work	The first 2 years of the program are considered general years. In first year, students are required to take Introduction to Social Work in addition to a variety of electives of your choice. Third and fourth year are considered the professional years of the program. During the second year of the Bachelor of Social Work program, students must apply for admission consideration to the professional years. Admission to the first or second year of the Bachelor of Social Work program does not guarantee acceptance into the professional years.

OCAD University

OUAC Program Code	Program	Criteria
HAD	Advertising	Admission based primarily on your portfolio assessment. All offers of admission are conditional on meeting minimum academic requirements.
HCD	Cross-Disciplinary Art	Admission based primarily on your portfolio assessment. All offers of admission are conditional on meeting minimum academic requirements.

Queen's University

OUAC Program Code	Program	Criteria
QA	Arts	Admission at Queen's is very competitive, and we may use supplemental information (including the Personal Statement of Experience, Supplementary Essay, Audition and Portfolio where required) and your academic record to help make admission decisions. For all programs, except Commerce, completion of the Personal Statement of Experience (PSE) is optional, but recommended. The PSE is your opportunity to tell us more about yourself and what you are doing outside the classroom. For applicants whose marks fall within a critical grade range, we may consider your PSE in support of your application to the program. The minimum admission average and the number of students selected based on the PSE varies from year to year and is dependent on the number of applicants to the program, the academic strength of the applicants in a given year, the number of spaces available, and any additional admission circumstances in a given year. The recommended last date to submit the PSE is February 15.
QB	Concurrent Education/Arts	Admission at Queen's is very competitive, and we may use supplemental information (including the Personal Statement of Experience, Supplementary Essay, Audition and Portfolio where required) and your academic record to help make admission decisions. For all programs, except Commerce, completion of the Personal Statement of Experience (PSE) is optional, but recommended. The PSE is your opportunity to tell us more about yourself and what you are doing outside the classroom. For applicants whose marks fall within a critical grade range, we may consider your PSE in support of your application to the program. For any of Queen's Concurrent Education programs, the PSE and Supplementary Essay are recommended documents. Please be sure to discuss a future in education if you complete the PSE for Con-Ed. The minimum admission average and the number of students selected based on the PSE varies from year to year and is dependent on the number of applicants to the program, the academic strength of the applicants in a given year, the number of spaces available, and any additional admission circumstances in a given year. The recommended last date to submit the PSE is February 15.
QC	Commerce	Admission at Queen's is very competitive and we may use supplemental information (including the Personal Statement of Experience, Supplementary Essay, Audition and Portfolio where required) and your academic record to help make admission decisions. For all programs, except Commerce, completion of the Personal Statement of Experience (PSE) is optional, but recommended. The PSE is your opportunity to tell us more about yourself and what you are doing outside the classroom. For applicants whose marks fall within a critical grade range, we may consider your PSE in support of your application to the program. For the Commerce program, the PSE and Supplementary Essay are required documents and the recommended last date to submit is February 15. The minimum admission average and the number of students selected based on the PSE varies from year to year and is dependent on the number of applicants to the program, the academic strength of the applicants in a given year, the number of spaces available, and any additional admission circumstances in a given year.

The minimum admission average and the number of students selected based on the PSE varies from year to year and is dependent on the number of applicants to the program, the academic strength of the applicants in a given year, the number of spaces available, and any additional admission circumstances in a given year. The recommended last date to submit the PSE is February 15.
QM	Music	An audition, interview, aural discrimination test are mandatory. For more information, please visit the Dan School of Drama and Music website . Admission at Queen's is very competitive, and we may use supplemental information (including the Personal Statement of Experience, Supplementary Essay, Audition and Portfolio where required) and your academic record to help make admission decisions. For all programs, except Commerce, completion of the Personal Statement of Experience (PSE) is optional, but recommended. The PSE is your opportunity to tell us more about yourself and what you are doing outside the classroom. For applicants whose marks fall within a critical grade range, we may consider your PSE in support of your application to the program. The minimum admission average and the number of students selected based on the PSE varies from year to year and is dependent on the number of applicants to the program, the academic strength of the applicants in a given year, the number of spaces available, and any additional admission circumstances in a given year. The recommended last date to submit the PSE is February 15.
QMM	Concurrent Education/Music	An audition, interview, aural discrimination test are mandatory. For more information, please visit the Dan School of Drama and Music website . Admission at Queen's is very competitive, and we may use supplemental information (including the Personal Statement of Experience, Supplementary Essay, Audition and Portfolio where required) and your academic record to help make admission decisions. For all programs, except Commerce, completion of the Personal Statement of Experience (PSE) is optional, but recommended. The PSE is your opportunity to tell us more about yourself and what you are doing outside the classroom. For applicants whose marks fall within a critical grade range, we may consider your PSE in support of your application to the program. For any of Queen's Concurrent Education programs, the PSE and Supplementary Essay are recommended documents. Please be sure to discuss a future in education if you complete the PSE for Con-Ed. The minimum admission average and the number of students selected based on the PSE varies from year to year and is dependent on the number of applicants to the program, the academic strength of the applicants in a given year, the number of spaces available, and any additional admission circumstances in a given year. The recommended last date to submit the PSE is February 15.
QMT	Music Theatre	Following your application you must successfully complete an audition through St. Lawrence College. Auditions will take place in Brockville, Ontario and Toronto, Ontario. Those residing outside of these areas are to submit a digital audition. Upon receipt of your application you will be sent more information regarding the audition process. For information regarding your audition please contact Janet Venn-Jackson, Program Coordinator, at jvennjackson@sl.on.ca . Admission at Queen's is very competitive and we may use supplemental information (including the Personal Statement of Experience, Supplementary Essay, Audition, and Portfolio where required) and your academic record to help make admission decisions. For all programs, except Commerce, completion of the Personal Statement of Experience (PSE) is optional, but recommended. The PSE is your opportunity to tell us more about yourself and what you are doing outside the classroom. For applicants whose marks fall within a critical grade range, we may consider your PSE in support of your application to the program. The minimum admission average and the number of students selected based on the PSE varies from year to year and is dependent on the number of applicants to the program, the academic strength of the applicants in a given year, the number of spaces available, and any additional admission circumstances in a given year. The recommended last date to submit the PSE is February 15.
QN	Nursing	Admission at Queen's is very competitive, and we may use supplemental information (including the Personal Statement of Experience, Supplementary Essay, Audition and Portfolio where required) and your academic record to help make admission decisions. For all programs, except Commerce, completion of the Personal Statement of Experience (PSE) is optional, but recommended. The PSE is your opportunity to tell us more about yourself and what you are doing outside the classroom. For applicants whose marks fall within a critical grade range, we may consider your PSE in support of your application to the program. Royal Military College of Canada

OUAC Program Code	Program	Criteria
XAE	Social Sciences and the Humanities	<p>Potential candidates for RMCC are well-rounded individuals. To evaluate this balance, you are assessed in two ways:</p> <ol style="list-style-type: none"> 1. Academic Performance: To ensure you have the proper prerequisites to enter your program of choice at RMCC, we assess and review your Grade 10, 11 and 12 marks, with your final year of high school results carrying the most weight. As a general guideline, it is recommended that you do not have any marks below 80% to ensure a competitive file. 2. Personal Suitability: We assess your leadership, managerial, administrative, people and interpersonal skills. These skills will have manifested themselves through such activities as holding down a job, mentoring, tutoring, lifeguarding, being a camp counsellor, being a member of a committee at school or in the community, playing sports, involvement in cadets, volunteering, etc. <p>Before applying to RMCC, you must choose a career in the Canadian Armed Forces. To help with choosing a career, or for more information about the CAF, call the Canadian Forces Recruiting Centre (CFRC) at 1-800-856-8488 or visit the Canadian Armed Forces website.</p>

University of Waterloo

OUAC Program Code	Program	Criteria
WA	Honours Arts	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
WAB	Honours Arts & Business (regular/co-op)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.
WBA	Business Administration (Laurier) and Mathematics (Waterloo) Double Degree (co-op only)	Admission Information Form (AIF) required. Instructions sent with acknowledgement of application from Waterloo. You're strongly encouraged to write the Euclid Mathematics Contest and the Canadian Computing Competition.
WBC	Business Administration (Laurier) and Computer Science (Waterloo) Double Degree (co-op only)	Admission Information Form (AIF) required. Instructions are sent with acknowledgement of the application from Waterloo. You're strongly encouraged to write the Euclid Mathematics Contest and the Canadian Computing Competition.
WBE	Biotechnology/Economics (co-op only)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.
WBM	Biomedical Engineering (co-op only)	Admission Information Form (AIF) required. Instructions will be emailed to you once we receive your application from the OUAC. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WC	Chemical Engineering (co-op only)	Admission Information Form (AIF) required. Instructions sent with acknowledgement of application from Waterloo. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WCF	Computing and Financial Management (co-op only)	Admission Information Form (AIF) required. Instructions sent with acknowledgement of application from Waterloo. You're strongly encouraged to write the Euclid Mathematics Contest. The Canadian Computing Competition is recommended.
WCS	Computer Science (regular/co-op)	Admission Information Form (AIF) required. Instructions sent with acknowledgement of application from Waterloo. You are strongly encouraged to write the Euclid Mathematics Contest and/or the Canadian Senior Mathematics Contest, and the Canadian Computing Competition.
WD	Systems Design Engineering (co-op only)	Admission Information Form (AIF) required. Instructions are sent with acknowledgement of application from Waterloo. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WE	Civil Engineering (co-op only)	Admission Information Form (AIF) required. Instructions are sent with acknowledgement of application from Waterloo. Also considered: involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WEA	Architectural Engineering	Admission Information Form (AIF) required. Instructions are sent with acknowledgement of application from Waterloo. An online video interview is strongly recommended. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WEB	Environment and Business (co-op only)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.
WEE	Environmental Engineering (co-op only)	Admission Information Form (AIF) required. Instructions are sent with acknowledgement of application from Waterloo. Also considered: involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WEM	Management Engineering (co-op only)	Admission Information Form (AIF) required. Instructions are sent with acknowledgement of application from Waterloo. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WER	Environment, Resources and Sustainability (regular/co-op)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.
WEV	Geography and Aviation	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo. Program Briefing Session and Transport Canada Category 1 Medical Certification required.
WF	Health Studies (regular/co-op)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.
WG	Geography and Environmental Management (regular/co-op)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.
WGB	Global Business and Digital Arts	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.
WGM	Geomatics (regular/co-op)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.
WHE	Public Health (regular/co-op)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
WID	International Development	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.
WK	Kinesiology (regular/co-op)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.

Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WWH	Mechanical Engineering (co-op only)	Admission Information Form (AIF) required. Instructions are sent with acknowledgement of application from Waterloo. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WWJ	Computer Engineering (co-op only)	Admission Information Form (AIF) required. Instructions are sent with acknowledgement of application from Waterloo. Also considered: Involvement in extracurricular activities in school or community; evidence of interest in engineering; and strong performance in mathematics-, science- or engineering-related competitions.
WX	Recreation & Leisure Studies (regular/co-op)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo. Involvement in extracurricular activities is important in admissions decisions.
WXY	Accounting and Financial Management (co-op only)	Accounting and Financial Management Admissions Assessment (AFMAA) and the Admission Information Form (AIF) required. Instructions are sent with acknowledgement of application of application from Waterloo.

University of Waterloo – Renison University College

OUAC Program Code	Program	Criteria
WRA	Honours Arts (Renison University College)	Admission Information Form (AIF). Instructions are sent with acknowledgment of application from Waterloo.
WRS	Social Development Studies (Renison University College)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.

University of Waterloo – St. Jerome's University

OUAC Program Code	Program	Criteria
WJA	St. Jerome's: Honours Arts (regular)	Admission Information Form (AIF). Instructions are sent with acknowledgement of application from Waterloo.

Western University

OUAC Program Code	Program	Criteria
EA	Arts and Humanities	Bachelor of Fine Arts – Studio Portfolio and Personal Statement Deadline: February 15, 2019. School for Advanced Studies in the Arts and Humanities (SASAH): Applicants must indicate interest on the OUAC application and complete a Statement of Interest. Visit the SASAH website for details. Deadline: February 28, 2019.
EAV	Fine Arts – Studio	Online portfolio and personal statement are required by February 15, 2019. Read more about portfolio requirements.
EDN	Management and Organizational Studies (Commercial Aviation Management) – Flight and Non-Flight (Main campus only)	Required: A mandatory supplementary application form, due by February 15, 2019. A valid Transport Canada Category 1 Medical Certification for the flight option. For assessment, contact Transport Canada or your local physician. Recommended: The completion of at least 2 hours of small aircraft flying time for the flight option. SPH4U is recommended for both flight and non-flight options.
EE	Engineering	Applicants are encouraged to complete a supplementary application form which gives them the opportunity to describe their leadership potential, engagement and initiative, and passion for engineering. Find more information on the Western Engineering website .

Additional Admission Criteria

OUAC Program Code	Program	Criteria
EM	Music (BMus)	Audition/interview. You will be contacted by the Faculty between February and May, and will be expected to audition in person. The Faculty may accept a taped audition for those living outside southern Ontario.
EMD	Music Performance Diploma (3 years)	Audition/interview. The Faculty will contact you between February and May. You must demonstrate a performance level of at least a Conservatory Grade 10 standard and show evidence of exceptional performance ability before a jury. You are expected to audition in person; however, the Faculty is prepared to accept a taped audition if you live outside southern Ontario.
EMS	Music Administrative Studies	Audition/interview. You will be contacted by the Faculty between February and May, and will be expected to audition in person. The Faculty may accept a taped audition for those living outside southern Ontario.
ENF	Nursing (Western-Fanshawe Collaborative Program) – Fanshawe College Site	Application deadline: February 15, 2019
ENW	Nursing (Western-Fanshawe Collaborative Program) – Western Site	Application Deadline: February 15, 2019

Wilfrid Laurier University – Brantford Campus

OUAC Program Code	Program	Criteria
UAL	Public Health (BAsc)	Competitive admission range (mean entrance average of last year's admitted students): Low 80s
UBT	Business Technology Management (BBTM)	Competitive admission range (mean entrance average of last year's admitted students): Mid 80s
UCI	Criminology (BA)	Competitive admission range (mean entrance average of last year's admitted students): Low 80s
UCS	Social & Environmental Justice (BA)	Competitive admission range (mean entrance average of last year's admitted students): Low 80s
UF	Humanities with Leadership Foundations (BA)	Competitive admission range (mean entrance average of last year's admitted students): Low 80s
UGM	Game Design & Development (BFAA)	Competitive admission range (mean entrance average of last year's admitted students): Low 80s

UXA	Business Administration (BBA) and Computer Science (BSc) (double degree co-op program)	Competitive admission range (mean entrance average of last year's admitted students): Low 90s

University of Windsor

OUAC Program Code	Program	Criteria
NAW	English	EWC4U is recommended for Creative Writing majors.
ND	Acting	An audition is required. Auditions are held in Windsor and Toronto. To assist you, a preparatory audition workshop will be held at the School of Dramatic Art. Contact the School of Dramatic Art at 519-253-3000, ext. 2804, or visit www.uwindsor.ca/drama/ for application details, audition requirements, dates and applicable fees.
NDS	Drama	Interview required for Drama in Education and Community and Concurrent BA Drama/BEd. Please contact Dramatic Art at ext. 2804 or visit the School of Dramatic Art website .
NE	General Engineering	A secondary Engineering (Math/Science) average is calculated based on the average of all math and science courses, except Biology (minimum 74%). All programs take a common first year. Students may apply for the optional co-op program either in the fall of second year of study or when applying for admission to the program.
NEB	Civil Engineering	A secondary Engineering average is calculated based on the average of all math and science courses, except biology (minimum 74%). All programs take a common first year. Students may apply for the optional co-op program either in the fall of second year of study or when applying for admission to the program.
NEH	Industrial Engineering	A secondary Engineering (Math/Science) average is calculated based on the average of all math and science courses, except biology (minimum 74%). All programs take a common first year. Students may apply for the optional co-op program either in the fall of second year of study or when applying for admission to the program.
NEJ	Mechanical Engineering	A second Engineering (math/science) average is calculated: the average of all math and science courses, except biology (minimum 74%). All programs take a common first year. Students may apply for the optional co-op program either in the fall of second year of study or when applying for admission to the program.
NEK	Environmental Engineering	A secondary Engineering (Math/Science) average is calculated based on the average of all math and science courses, except Biology (minimum 74%). All programs take a common first year. Students may apply for the optional co-op program either in the fall of second year of study or when applying for admission to the program.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
NEN	Electrical Engineering	A secondary Engineering (Math/Science) average is calculated based on the average of all math and science courses, except biology (minimum 74%). All programs take a common first year. Students may apply for the optional co-op program either in the fall of second year of study or when applying for admission to the program.
NF	Visual Arts	A portfolio is not required for admission to our BFA Visual Arts program; however, admission to Year 3 is based on successful portfolio evaluation. A minimum admission average of 75% is required for the Visual Arts and the Built Environment (VABE) program. The VABE program is open to Canadian citizens legally permitted to commute to the United States.
NFS	Forensic Science/Forensics	For the Forensic Science program, a secondary math/science average is calculated based on the average of all required science and math courses (minimum 70%).
NH	Economics	Secondary Math/Science average for BSc Economics (minimum 70%).
NKG	Political Science	Political Science with French Specialization requires a minimum admission average of 75%. Political Science with Law and Politics Specialization requires a minimum admission average of 85%
NM	Music	An audition is required for the Bachelor of Music (BMus). You must pass a written theory test, based on completing Royal Conservatory Advanced rudiments or equivalent. To assist you, a preparatory workshop will be held at the School of Music. Contact the School of Music at 519-253-3000, ext. 2780, or visit the Windsor Music website for preparatory workshop and audition dates.
NMH	Mathematics	A secondary math average is calculated (minimum 70%).
NN	Nursing	A secondary Nursing average is calculated based on the average of SCH4U and SBI4U, with a recommended minimum of 80%.
NP	Human Kinetics	In addition to the best 6 average, a minimum grade of 70% in each of ENG4U and SBI4U is required for students admitted to Kinesiology.
NS	General Science	A second math/science average is calculated (minimum 70%), the average of all 4U/M science and math courses.
NSB	Biological Sciences	A secondary math/science average is calculated based on the average of all 4U/M science and math courses.
NSC	Chemistry	A secondary math/science average is calculated based on the average of all 4U/M science and math courses (minimum 70%).
NSE	Concurrent General BSc (General Science)/BEd	A minimum 70% in all attempted math and science courses is required.
NSM	Concurrent General BMath/BEd	A minimum 70% average in all attempted math courses is required.
NSP	Physics	A secondary math/science average is calculated based on the average of all 4U/M science and math courses (minimum 70%).
NSX	Behaviour, Cognition and Neuroscience	A secondary math/science average is calculated based on the average of all 4U/M science and math courses (minimum 70%).
NSY	Biochemistry	A secondary math/science average is calculated based on the average of all 4U/M science and math courses (minimum 70%).
NT	Computer Science	A secondary math average is calculated (minimum 70%). Co-op program requires an overall average of 75% and 70% secondary math average.
NW	Social Work	Social Work students re-apply for admission to Year 3.
NX	Concurrent General BA (Drama)/BEd	Interview required for Concurrent General BA Drama/BEd. Please contact Dramatic Art at ext. 2804 or visit the School of Dramatic Art website .
NXD	Concurrent General BA (French Studies)/BEd	A minimum of 75% in FSF4U (or equivalent) is required.
NXM	Concurrent Honours BMus (Music Education)/BEd	For admission to the Honours BMus (Music Education), students will be selected based on a successful audition and theory evaluation test and performance on major instrument.

York University

OUAC Program Code	Program	Criteria
YB	Dance (BFA)	Submit your application for admission to the OUAC by January 16, 2019, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available). Supplementary information/evaluation is required. Find more information about the supplementary evaluation and timelines.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
YBA	Business Administration (BBA)	You can only apply to one Schulich program – either BBA or iBBA. A Supplementary Application (including leadership profile and video interview) is required by the deadline listed below. Details and supplementary application will be available in December 2018. Deadline to submit the Supplementary Application: • January 30, 2019, for Ontario high school applicants • February 6, 2019, for out-of-Ontario high school applicants For questions about the Supplementary Application, please contact the Schulich Undergraduate Programs Unit at undergrad@schulich.yorku.ca or 416-736-5081.
YEA	Film Production (BFA)	Submit your application for admission to the OUAC by January 16, 2019, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available). Supplementary information/evaluation is required. Find more information about the supplementary evaluation and timelines.
YEB	Cinema & Media Studies (BA)	Submit your application for admission to the OUAC by January 16, 2019, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available).
YEF	Screenwriting (BFA)	Submit your application for admission to the OUAC by January 16, 2019, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available). Supplementary information/evaluation is required. Find more information about the supplementary evaluation and timelines.
YET	Concurrent Education: Environmental Studies (BEd)	An online Faculty of Education Supplementary Information Form and supplemental fee are also required by April 12, 2019. Refer to the Faculty of Education website.
YEU	Urban Sustainability (Joint BES/ Advanced Diploma program in Civil Engineering Technology with Seneca College)	Find more information about alternative offers..
YEW	Concurrent Education: Educational Studies	An online Faculty of Education Supplementary Information Form and supplemental fee are also required by April 12, 2019.
YF	Design (BDes)	Submit your application for admission to the OUAC by January 17, 2018, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available). Supplementary information/evaluation is required. Find more information about the supplementary evaluation and timelines.
YFA	Digital Media (BA) – School of the Arts, Media, Performance & Design	Submit your application for admission to the OUAC by January 16, 2019, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available).
YFK	Concurrent Education: Liberal Arts & Professional Studies (BEd)	An online Faculty of Education Supplementary Information Form and supplemental fee are also required by April 12, 2019. Refer to the Faculty of Education website.
YFS	Social Work (BSW, Direct Entry)	If you are a non-Canadian high school applicant, you must submit an online supplementary information form by February 27, 2019. The form becomes available shortly after you apply. Apply by February 6, 2019, for full consideration. Find further details about the supplementary information form.
YH	Music (BA, BFA)	Submit your application for admission to the OUAC by January 17, 2018, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available). Supplementary information/evaluation is required. Find more information about the supplementary evaluation and timelines.
YHF	Nursing (Collaborative BScN program with Georgian College)	Submit your application for admission to the OUAC by January 16, 2019, for consideration to this program (applications received after this date will be reviewed if space is available).
YHG	Nursing (Collaborative BScN program with Seneca College)	Submit your application for admission to the OUAC by January 16, 2019, for consideration to this program (applications received after this date will be reviewed if space is available).
YHR	Concurrent Education: Health (BEd)	An online Faculty of Education Supplementary Information Form and supplemental fee are also required by April 12, 2019. Refer to the Faculty of Education website.

Additional Admission Criteria

OUAC Program Code	Program	Criteria
YJ	Theatre (BA, BFA)	Submit your application for admission to the OUAC by January 16, 2019, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available). Supplementary information/evaluation is required. Find more information about the supplementary evaluation and timelines.
YJD	Media Arts (BFA)	Submit your application for admission to the OUAC by January 16, 2019, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available).
YJE	Intermedia	Submit your application for admission to the OUAC by January 16, 2019, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available). Supplementary information/evaluation is required. Find more information about the supplementary evaluation and timelines.
YLA	Concurrent Education: Lassonde (BEd)	An online Faculty of Education Supplementary Information Form and supplemental fee are also required by April 12, 2019. Refer to the Faculty of Education website.
YM	Studio Art (BFA)	Submit your application for admission to the OUAC by January 16, 2019, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available). Supplementary information/evaluation is required. Find more information about the supplementary evaluation and timelines.
YN	Art History (BA)	Submit your application for admission to the OUAC by January 16, 2019, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available).
YPC	Concurrent Education: Science (BEd)	An online Faculty of Education Supplementary Information Form and supplemental fee are also required by April 12, 2019. Refer to the Faculty of Education website.
YQ	Concurrent Education: Arts, Media, Performance & Design (BEd)	Note: Many Arts, Media, Performance & Design programs require a subsequent supplementary evaluation (questionnaire, interview, portfolio and/or audition). An online Faculty of Education Supplementary Information Form and supplemental fee are also required by April 12, 2019. Refer to the Faculty of Education website.
YRA	Digital Media (BA) – Lassonde School of Engineering	Submit your application for admission to the OUAC by January 17, 2018, for guaranteed consideration to this program (applications received after this date will be reviewed if space is available).
YT	Engineering (BEng)	Supplementary information/evaluation is optional.

York University – Glendon Campus

OUAC Program Code	Program	Criteria
YGJ	Concurrent Bachelor of Education (French)	In addition to meeting Glendon's general BA admission requirements, you must complete an online French language assessment, submit an online Faculty of Education supplementary information form and pay a \$50 processing fee. Applicants who have submitted all required documents by the specified deadline dates and received an offer of admission to a Glendon BA or iBA program by mid-April will advance to the Education Admissions Committee review. The admissions selection committee is looking for the following: Academic achievement Experience working in an educational setting that is relevant to the teaching profession Intermediate or advanced level of French language proficiency A demonstrated interest in teaching the French language
YYI	Concurrent Bachelor of Education (English)	In addition to meeting Glendon's general BA admission requirements, you must submit an online Faculty of Education supplementary information form and pay a \$50 processing fee. Applicants who have submitted all required documents by the specified deadline dates and received an offer of admission to a Glendon BA or iBA program by mid-April will advance to the Education Admissions Committee review.
