## Carleton University

The language of instruction at Carleton University is English. If English is not your first language, you must demonstrate that you can cope with the language demands of an English language university.

You can demonstrate your English language proficiency by:

- Presenting official transcripts that indicate that you have studied for the last three years (full-time) in a high school, college or university in Canada, the United States, the United Kingdom or any other country in which English is the primary language, and where English was the exclusive language of instruction in the relevant educational institution.

If you choose this option, please note:

- Time spent in ESL courses will not be counted towards meeting these requirements.
- Language requirements will not be waived based on letters written by students or as a result of completing senior-level high school English courses.
- If, in addition to evidence of 3 years of study, you also provide a failing English language test score, the university reserves the right to review the admission decision.
- The university reserves the right to request an English Language Proficiency test from any applicant regardless of their academic background.

If you cannot demonstrate 3 full-time years in an English medium school, as outlined above, you must submit a language test result.

## Western University

### English-Language Proficiency Requirements

Each student granted admission to Western University must be proficient in spoken and written English. All students applying for undergraduate admission whose first language is not English will be required to provide acceptable proof of English-language proficiency. You are encouraged to write a test at the earliest possible date, and, at the latest, before March 2019. Scores for any test written before January 1, 2017, may not be accepted.

You may be considered for an English-proficiency exemption if you studied for 4 full-time years in a Ministry-approved high school in Ontario or other Canadian provinces, and successfully completed Grade 12 English, ENG4U or its equivalent. This exemption does not apply to Nursing programs.

Applicants from other countries who have a total of 4 years of formal education in an English-speaking school system where English is the primary language and language of instruction, may be considered for an exemption on an individual basis. The Admissions Committee will consider all previous and current academic work and all documentation submitted in support of an application for an exemption.

The Undergraduate Admissions Office may require you to write a test of English proficiency. **At the discretion of the University, you may be asked to present further evidence of English proficiency if your English proficiency score does not match your academic English prerequisite achievement.**

[Additional details on acceptable proof of English proficiency can be found on our website.](#)

**Note:** English-language proficiency requirements for admission to **Undergraduate Nursing** programs are different than the requirements for other programs at Western. For further information, please visit the [Nursing website](#).

### Université York – Collège universitaire Glendon

Glendon est la faculté bilingue de l'Université York, c'est-à-dire que les cours sont offerts en français et en anglais. Il n'est pas nécessaire d'être bilingue afin d'être admis(e) à la plupart des programmes, mais tous les programmes ont en effet une exigence linguistique à satisfaire au cours du cursus.

L'Université York a une exigence linguistique générale pour tous les candidats et candidates. Ceux et celles de Glendon peuvent fournir une preuve de compétence linguistique en français ou en anglais. Si vous prouvez vos compétences linguistiques en français, aucune compétence minimale n'est exigée en anglais.

Vous pourriez répondre à nos exigences linguistiques si vous avez terminé avec succès – ou êtes sur le point de le faire – soit :

- 4 années complètes d'études secondaires en français ou en anglais au Canada
- 4 années complètes d'études secondaires en français ou en anglais dans un pays où le français ou l'anglais est une langue officielle ou la première langue d'enseignement
- 1 année complète d'études en français ou en anglais dans un programme accrédité menant à un diplôme universitaire, dans un pays où le français ou l'anglais est une langue officielle ou la première langue d'enseignement
- 2 années complètes d'études en français ou en anglais dans un programme accrédité menant à un diplôme collégial/technique, dans un pays où le français ou l'anglais est une langue officielle ou la première langue d'enseignement

Si vous avez complété ou êtes en voie de compléter le Baccalauréat international (BI), vous pourriez répondre à nos exigences linguistiques en anglais. Vous devez démontrer la preuve d'obtention du diplôme comme condition d'admission.

**Nota :** Nous ne considérons pas les cours de français langue seconde, les cours de français des années supérieures à l'école secondaire, ni les lettres des candidats et des candidates comme des preuves de compétences linguistiques.

Ces exigences ne sont qu'à titre de renseignements. Nous nous réservons le droit d'exiger les résultats d'un test de compétences linguistiques. Si vous n'êtes pas sûr(e) de répondre à nos exigences linguistiques, veuillez envoyer le plus tôt possible vos résultats à un test de compétence linguistique en anglais ou en français, afin d'éviter tout risque de retard dans le traitement de votre demande d'admission.

En tant que candidate ou candidat de Glendon, vous pouvez fournir une preuve de vos compétences linguistiques en anglais ou en français. Vous pouvez vous présenter à l'un des tests de langue anglaise ou française suivants, ou passer le test de compétence en langue française administré par le Service de recrutement étudiant. Veuillez nous contacter au 416 487-6710 ou à [liaison@glendon.yorku.ca](mailto:liaison@glendon.yorku.ca) pour obtenir plus d'informations ou pour prendre rendez-vous pour un test.
