Pourquoi vivre en résidence

D'après les étudiants vivant dans la région de la Capitale nationale, la résidence de l'Université Saint-Paul est l'endroit où demeurer. Aucun autre endroit dans les environs n'offre l'occasion de rencontrer les étudiants provenant de trois établissements d'enseignement supérieur différents et d'interagir avec eux. Ici, vous rencontrerez des étudiants de l'Université Saint-Paul, de l'Université d'Ottawa et de l'Université Carleton. Vous désirez habiter à proximité du centre-ville ainsi que de vos classes? Alors la Résidence Université Saint-Paul est l'endroit pour vous!

Voici quelques uns des nombreux avantages dont vous pourrez profiter :

- Votre chambre est entièrement meublée, vous aurez accès à Internet haute vitesse et à la télévision par câble, et les appels téléphoniques locaux de votre téléphone sont gratuits ainsi que la messagerie vocale.
- La résidence est équipée d'une buanderie, de cuisines communes, d'un barbecue avec tables de pique nique, d'une salle de cinéma, d'une salle de jeux et d'un bureau de réception où l'on répond à vos besoins 24 heures par jour.

- Vous ne payez que pour les 8 mois d'une année scolaire et évitez ainsi les locations qui s'étalent sur 12 mois.
- La résidence n'est qu'à quelques pas de l'université; vous pouvez faire la grasse matinée sans même arriver en retard à vos cours!
- Vous n'avez pas à vous préoccuper de colocataires qui ne paient pas leurs factures.
- Sachez apprécier la commodité de la salle d'étude seul ou en groupe.
- En tant que résident à Saint-Paul, vous aurez aussi accès à une navette gratuite qui circule du lundi au vendredi entre Saint-Paul et ses sœurs, l'Université d'Ottawa, et l'Université Carleton.
- Joignez vous aux événements hebdomadaires organisés par votre équipe de conseillers en résidence ou inscrivez vous aux nombreux clubs et comités bénévoles.
- La résidence est sécuritaire; il y a une surveillance vidéo 24 heures par jour et un accès à carte magnétique.

You will have the choice of "House" (community) you would like to live in. New students often choose either Brescia House or Inizio House. Esperto House is reserved for students entering Year 2 or above.

Brescia House

As a university, Brescia values women and their potential for leadership in society.

Brescia House embraces students from all backgrounds and at all stages of their Brescia studies. Core to Brescia's values is the development of, and respect for, community. In Brescia House, student leaders work with residents to provide programming and support services that enhance community building.

At Brescia House there is a more relaxed guest policy and residents are challenged to be governed by the impact of their actions upon the broader community. Residents are permitted up to 12 overnight guest stays per term, provided the stays do not have a negative impact on the residence community.

Inizio House

In Italian, "inizio" means "beginning, start, and departure".

Beginning university is an exciting but challenging time of new beginnings. Inizio House is designed for incoming students and strives to create an environment geared toward easing the transition to university life. Programming and support services focus on creating the best first-year (or Preliminary Year) experience possible. Student leaders are selected to participate in the house to create a supportive and mentoring environment for all students living in these communities.

Inizio House has extended study hours during the exam and mid-term periods, and a limited guest policy. Residents are permitted up to 10 overnight guest stays per term, provided the stays do not have a negative impact on the residence community. Male guests, however, are not permitted to stay overnight on the residence floors.
