

Campus Visits

Visiting a university is a great way to find out more about the campus, the people and the university environment. Each university offers campus tours and special events throughout the year just for secondary school students. Choose a university below to find out the best time to visit.

Algoma University

Campus Tours

| | |
|----------------------|---|
| Date(s) | Monday to Friday. Evening and weekend tours may be accommodated upon request. |
| Time(s) | 8:30 a.m. to 4:30 p.m. Evenings and weekends available upon request. |
| Special Notes | Campus tours can be arranged at any time; however, we recommend visiting during the September to April school year. We will arrange to have students sit in on a class, meet faculty and tour residence. All tours are individualized according to the interest of the student. Coming from out of town? We will pay 50% of a greyhound bus ticket (up to \$100), and will provide you with free accommodation in a local hotel. Contact our Prospective Student Advisor, Jenn Reid at info@algomau.ca , 1-888-254-6628. |

Watch out for our bus tours. For more information, visit <http://www.algomau.ca/takethebuswithus/>.

Requested.

March Break

| | |
|----------------------|--|
| Event Name | March Madness |
| Date(s) | Any day or evening during March Break - based on your schedule. |
| Time(s) | Algoma University prides itself on personalized attention at every step of the way. Let us know what time works best for you! |
| Special Notes | Algoma can accommodate students' March Break plans and can customize a tour for each student that includes meeting with professors; sitting in on classes in an area of interest; using the recreational facilities; and meeting current students. Students from outside Sault Ste. Marie will also be provided with overnight accommodation and contribution toward travel costs. |
| Reservations | Reservations are required. Please contact 1-888-254-6628 for additional details. |

Event Name Spring Open House 2011
Date(s) Friday, March 18, 2011.
Time(s) 9 a.m. to 3 p.m.
Special Notes Once students have applied to the University of Ottawa, they will receive an invitation to the Spring Open House. Come see for yourself what life at uOttawa is all about! Join us for a day filled with tours of the campus, sports venues and residence, and meet our faculty and service representatives throughout the day at our information fair. Attend one of our 11 interactive presentations and learn more about important deadlines, including a top-10 list of things to know about admissions!
Web <http://www.admission.uottawa.ca/Default.aspx?tabid=3205>

Special Visits

Event Name Become a Student for a Day
Date(s) September 2010 to March 2011 (ongoing).
Special Notes Would you like to spend a day on campus, attend a class, meet with an academic advisor, speak with professors, and visit the campus and its residences?

The Faculty of Arts and the Faculty of Social Sciences give you this opportunity with its Student for a Day program.

This day will be personalized according to your availability, your interests and your expectations. It is an opportunity to become better acquainted with your programs of interest and to live a unique experience at the University of Ottawa.

Phone **Faculty of Arts:** 613-562-5134

Special Visits

Event Name Reunion Weekend
Date(s) Friday, October 1, 2010, until Sunday, October 3, 2010.
Time(s) Friday, 1 p.m.: Obstacle course for first-year students.

Saturday, 10 a.m.: Badging parade.
Special Notes Most cadets entering the College must pass a number of milestones before being accepted as a full-fledged member of the student body. The most significant one, the obstacle course, is designed to prove to the first-year cadet that obstacles that seem insurmountable may, in fact, be overcome through co-operation with others combined with a high-level of fitness, individual stamina and determination. Family, friends and members of the public are welcome to watch the obstacle course on the RMC grounds on Friday afternoon beginning at 1 p.m.
On Saturday, cadets are officially recognized as members of the college when they receive their badges for their uniforms at a very special badging parade.

University of Toronto - St. George Campus

Campus Tours

Event Name Faculty of Law's Youth Summer Program
Date(s) July - August 2011
Special Notes During the Law YSP, students currently enrolled in Grades 9 through 12 spend one, two, three, or four weeks at the Faculty of Law discussing advanced legal concepts, learning about the reality of the Canadian legal system, and applying their knowledge in a variety of stimulating environments.

For secondary students interested in the law and legal issues, the Law YSP offers an unprecedented opportunity to spend time in the fascinating world of Canadian and international law, legal thinking and advocacy.

In addition to the enriching academic content, students get a taste of university residence life while staying at New College and participating events that showcase the city of Toronto.

Reservations yes
Phone 1-416-946-0944
Email summer.programs@utoronto.ca
Web <http://www.ysp.utoronto.ca/law>

Date(s) General drop-in campus tours are offered seven days a week (holidays excluded).

Tours for secondary school groups are offered on Thursdays and Fridays in October and November.

Time(s) General tours depart weekdays at 11 a.m. and 2 p.m.; Saturdays and Sundays at 11 a.m. (holidays excluded).

Tours for secondary school groups are offered on Thursdays and Fridays at 9:30 a.m. (individuals) and 10 a.m. (groups) in October and November.

Special Notes In addition to an extensive tour of the campus, these visits include an opportunity for admissions counselling and a residence tour.
Reservations Reservations are required for groups of 10 or more; not required for individuals.

Special Visits

Event Name RobotX
Date(s) Spring 2011.
Time(s) 9 a.m. to 5 p.m. for four days. Evenings are reserved for fun, supervised, on-campus activities.
Special Notes RobotX is an intense, live-in engineering immersion that allows secondary school students to dive into the exciting world of engineering design, robotics and mechatronics. Students design and build a battlebot machine from scratch. On the last day of RobotX, teams test their robots in a series of skill and agility trials followed by head-to-head battle in a winner-takes-all tournament. Participants live in residence at the St. George campus, providing students with a rich university experience. RobotX is open to all secondary school students across Canada.
Web <http://www.robotx.engineering.utoronto.ca>

Event Name Saturday Science and Engineering Academy
Date(s) Courses run for seven consecutive Saturdays in February and April.
Special Notes The Faculty of Applied Science and Engineering's Saturday Science and Engineering Academy offers students from Grades 7 to 12 a variety of exciting courses in four major areas: Life Science and Biomedical Engineering, Design and Practice, Electrical and Computer Technology, and Applied Science. Course instructors possess specialized knowledge and education in the subject area they teach, and incorporate hands-on lectures, labs and design projects.
Reservations Required.
Web **Register online:** <http://enrichment.uoftengineering.com/ssea/register>

Event Name Faculty of Medicine's Youth Summer Program (YSP)
Date(s) July 2011.
Special Notes Every summer, secondary school students are offered an exclusive glimpse into the world of medicine and medical research by the University of Toronto's Faculty of Medicine. Students from across North America and around the world are invited to learn at Canada's most prestigious medical school.

From its home in the University of Toronto's Medical Sciences Building, in the heart of Toronto's "Medical Discovery District", the Med YSP offers students, currently enrolled in Grades 9 through 12, four unique one-week modules that each introduces a major medical discipline.

Each module includes lectures from world-class faculty and hands-on experimentation, guided by distinguished medical researchers, in cutting-edge research laboratories. The Med YSP's unparalleled access to the University of Toronto's medical faculty and research facilities allows participants to experience what it is like to be a student at Canada's premier medical school.

In addition to the enriching academic content, students get a taste of university residence life while staying at New College and participating in evening activities that showcase the city of Toronto.

Event Name DEEP Summer Academy
Date(s) Summer 2011.
Special Notes DEEP's unique curriculum has been specially developed to stimulate secondary school students' interested in science, math and engineering. Secondary school students from across the world learn about some of the most ground-breaking topics within the field of engineering through these interactive courses. From biomedical and aerospace engineering to the Mini-MBA, DEEP offers one of the most diverse ranges of pre-university courses in North America. DEEP runs for four weeks during the summer, allowing students to take up to four week-long courses over the four-week period. Students may opt to stay in residence during DEEP, providing a well-rounded glimpse at the university experience. The popular After-Class Clubs program also gives students a taste of the rich and diverse extracurricular activities they can expect at university. Students can apply for DEEP by visiting <http://www.engineering.utoronto.ca> and submitting an application form.
Reservations Required.
