QIA	Arts - Bader International Study Centre, Herstmonceux Castle (first-year program in England)	Admission at Queen's is very competitive and we use the Personal Statement of Experience and your academic record to help make admission decisions. For all programs, except Commerce, completion of the PSE is optional, but recommended. While we recommend that all applicants submit a PSE, applicants who have not submitted a PSE (with the exception of Commerce) will be considered equally for admission to Queen's. If your grades place you above a minimum admission average (as determined by Queen's), we will use your PSE to learn more about you. Based on your PSE and your grades, you may be selected for an offer of admission. The minimum admission average, and the number of students selected based on the PSE, varies from year to year and is dependent on the number of applicants to the program, the academic strength of the applicants in a given year, and the number of spaces available. The unique demand of the program and the admission circumstances in a given year are also taken into consideration. The recommended last date to submit the PSE is February 15.
