About

Meal plans have two components:

- All you care to eat at Pitman and ILLC Dining Halls:** Meal plan dollars go towards unlimited access to eat as much or little as you like at Pitman Dining Hall or the ILLC Dining Hall. Your OneCard grants you access to the Pitman and ILLC Dining Halls.

Depending on where you live, residence students have a few options for meal plans.

Pitman Hall or the International Living/Learning Centre (ILLC)

Residence students living at the ILLC or Pitman Hall are automatically enrolled in the 7-day meal plan. If you are living in apartment-style units at Pitman Hall, you can also choose the 5-day meal plan to supplement your own cooking.

HOEM

Students living at HOEM are encouraged to sign up for either the 7-day or 5-day meal plans, though it is not mandatory. Students can also choose to load any dollar amount onto their OneCard to spend on food at any time.

Brescia House embraces students from all backgrounds and at all stages of their Brescia studies. Core to Brescia's values is the development of, and respect for, community. In Brescia House, student leaders work with residents to provide programming and support services that enhance community building.

At Brescia House there is a more relaxed guest policy and residents are challenged to be governed by the impact of their actions upon the broader community. Residents are permitted up to 12 overnight guest stays per term, provided the stays do not have a negative impact on the residence community.

Inizio House

In Italian, "inizio" means "beginning, start, and departure".

Beginning university is an exciting but challenging time of new beginnings. Inizio House is designed for incoming students and strives to create an environment geared toward easing the transition to university life. Programming and support services focus on creating the best first-year (or Preliminary Year) experience possible. Student leaders are selected to participate in the house to create a supportive and mentoring environment for all students living in these communities.

Inizio House has extended study hours during the exam and mid-term periods, and a limited guest policy. Residents are permitted up to 10 overnight guest stays per term, provided the stays do not have a negative impact on the residence community. Male guests, however, are not permitted to stay overnight on the residence floors.
